General Commanding To Gen. S. COOPER, Adjutant and Inspects General, C. S. A., Richmond, Virginia An Expedition to Extinguish Guerrillas. PADUCAH, May 12.—Gen. Denver and staff arrived here yesterday, en route for Pittsburg

Two thousand cavalry started from this post on Saturday on an expedition to act in conjuntion with military forces from Hickman, in pursuit of rebel cavalry that has been overrunning Western Kentucky and Tennesses recently. From the Peniusuin.

We have intelligence that the main body or mir forces on the Peninsola have invested the line of the Chickahominy, and are now about eighteen miles from Richmond. A general action was expected, and on Saturday our men remained all day in line of battle. The enemy is confronting our main lines at the distance of the confronting our main lines at the distance of the confronting our main lines at the distance of the confronting our main lines at the distance of the confronting our main lines at the distance of the confronting our main lines at the distance of the confronting our main lines at the distance of the confronting our main lines at the distance of the confronting our main lines at the distance of the confronting our main lines at the distance of the confronting our main lines at the distance of the confronting our main lines at the distance of the confronting our main lines at the distance of the confronting our main lines at the distance of the confronting our main lines at the distance of the confronting our main lines at the distance of the confronting our main lines at the distance of the confronting our main lines at the distance of the confronting our main lines at the distance of the confronting our main lines at the distance of the confronting our main lines at the distance of the confronting our main lines at the distance of the confronting our main lines at the distance of the confronting our main lines at the distance of the confronting our main lines at the distance of the confronting our main lines at the distance of the confronting our main lines at the distance of the confronting our main lines at the distance of the confronting our main lines at the distance of the confronting our main lines at the distance of the confronting our main lines at the distance of the confronting our main lines at the distance of the confronting our main lines at the distance of the confronting our main lines at the distance of the confronting our main lines at the distance of the confronting our main lines at the distance of the confronting our main lines at the distance of the confronting our main lines at the distance of the confronting about three miles. Yesterday there was a slight skirmish of artillery. Our men are in excellent There appears to be a strong indication of a energia action on the Peninsula to-day. General colinaton has issued orders, which reached here of mail great his benefit reward if he is returned to the orders of the reverse of the results of the second to the columns of the results of the second to the columns of the results of the second to the columns of the results of the second to the columns of the results of the second to the columns of the results of the second to the columns of the results of the second to the results of the results of the second to the results of the second to the results of the results of the second to the second to the results of the second to the results of the results of the second to the results of the results of the second to the results of the results of the second to the results of the second to the results of the results of the second to the results of the results of the second to the results of the result general action on the Peninsula to-day. General Johnston has issued orders, which reached bere hast evening, for every soldier remaining in Richto his post with a full cartridge box. If there is an action to day the sound of the guns will probably tell us -Richmond Examiner, May 12.
